

AXIOM

Custom Stencils

Vinyl Stencils

- Pros:
- Higher and sharper detail possible
 - No connectors for floating shapes
 - Lower cost

- Cons:
- Single use
 - Surface must be smooth

stick vinyl stencil on surface and remove masking tape

paint

remove vinyl stencil

Routed or Laser-cut Stencils

- Pros:
- Re-usable
 - Use on any surface

- Cons:
- Floating shapes must be connected
 - Higher price than vinyl

hold or tape stencil in place
